

SAPCOTE RECREATION GROUND MANAGEMENT COMMITTEE

Minutes of the meeting held on 21st August 2014.

Present Tony Griggs, Peter Bradbury (Chairman) Estelle Rodgers (Treasurer) Pat Wright

Dave Butlin, Eric Ellis, Elaine Gamble (Secretary)

Apologies Gareth Twitchett, Mike Guntrip

The minutes of the last meeting were accepted as a true record.

Matters Arising.

1. Andy has the Sapcote web site up and running and Peter offered to contribute for SRGMC.
2. Peter suggested the hard play area be converted to a more useful game area. To be discussed at the next meeting.
3. Katie Hudson, the Community Police Officer for this area, asked if they can use the hall as a village meeting place, and also a secure place to keep their two cycles. After discussion it was agreed they can use the pavilion at a suitable time and use our store in the new building.
She can only have the two keys we have spare – she wanted four.
Tony to let her have a timetable for the pavilion and Peter will liaise with her.

Treasurer's Report

1. The accounts were discussed and accepted.
2. It was pointed out the water and electric bill are slightly reduced.

Secretary's Report

1. Santander bulletin handed to Treasurer.
2. Notice about Older Person's Forum on 1st September received.
3. E-mail sent to Jason Lee to let him know at this present time we have no room for his football team to use our field.
4. Within this month the invoices will be sent out to the Football teams.
5. Chubb certificate for this year given to Tony for display in hall.

Matters Arising

1. It was discovered the manhole cover behind the new building was open. Peter had a word with
Jason the builder who quickly came and cemented it back in place.
2. After much discussion it was decided to cancel the Quiz night scheduled for the 5th September
due to lack of support. Many thanks to Peter for all his hard work.
3. The hedge has once again been cut. Elaine to write a letter to thanks Jenny Taylor
who every
year organises this for us.

4. Complaint from Marion who empties the bin outside the pavilion. Food waste is being
dumped
in after cricket matches. This causes smells and attracts wasps. Please use the grey bin in
car
park or leave next to it.
5. Weeds abundant on field. Peter to ask Woodward's to treat in the Spring. Dave says
there is no
need to fill in ruts on football pitch.
6. Dave reports the old goalposts should be gone for scrap within the next two weeks.

The meeting closed at 8.15pm

The next meeting will be held on Thursday 25th September 2014.
