SAPCOTE PARISH COUNCIL

Dear Neighbour

Due to the Coronavirus situation (COVID 19) as a village community we really want to ensure that our neighbours do not feel alone and isolated. With that in mind the following numbers are available if you wish to talk to someone over the phone, about anything and everything. As such a large network of support has been established named 'Sapcote Helpers'. In the first instance if you contact us on the numbers below, we will put your request to someone in the team.

- Pauline 01455 272416
- Shelley 01455 644730
- Sheila 07962216219
- Good Neighbourhood Scheme 07563197043

These numbers are also available if you are struggling in any way with things like collecting prescriptions, urgent supplies, dog walking, things to do whilst you are self-isolating (jigsaws, books etc). **Any action will follow social isolation protocols.**

We can also be found on Facebook, search for the Sapcote Helpers group.

It may be at present that you do not feel you need this information but please keep it safe as it might be useful for the future. It may also be useful to check that your neighbours have received this letter and know they have someone to reach out to.

Sapcote Helpers is here to help. Please do not hesitate to contact us.

Kind regards

The Sapcote Helpers Team
